

i would like to know why i cannot get hbo as an addon to my basic cable service from brighthouse networks in seminole county florida. they insist that i upgrade to premium digital and then add hbo and it will cost 24.00 per month extra as opposed to 6.95 as advertised. that is an increase of 33% over what i already pay, just to get one channel that is a scrambled part of my package already.(channel 48). they refuse to unscramble 1 channel for 6.95 in lieu of 288.00 per year for the same channel under their terms
